BIRTH notes in a small town newspaper cause a good deal of phoning around, unless the editor explains who the mother was before her marriage. The folks want to know that—Opal Melton in Greenville (Ga.) Herald.

Gather thy babies while you may. Time brings only sorrow. When are little babies today? Will be old men and women. —Paul Jones in the Miami, Fla. News.

Seeing others as we see ourselves wouldn't help much. We wouldn't believe it.

Was there ever a graduation, hundred after a day of mingling, unless you remember, who hasn't said that the Lord knew what He was doing when He gave little children to young people? —Joe Wells in Chicago (Ill.) Courier.

We must take our happiness as it comes, watching as we go. In the living present, the passing day, the occasional quiet hour, the unexpected of your baby's smile as you sit him down the crib, the picture of his mother's smile, the sound of your husband's voice laughing.

NEWS VIEWS
By E. D. and Devo

It seems that one of the most difficult things in the world to do is to make a statement without hurting somebody's feelings. The world is becoming as sensitive as a policeman's arches in wet weather. The other day Governor Dewey of New York commented that if everybody in the state would drink an extra glass of milk a day there would be no milk surplus problem.

The Governor should have quit when he was ahead... but he went on to state that the extra flag-on of milk would be healthier and cheaper than coffee. This sparked an international kick-back. Both Colombia and Brazil took off on Mr. Dewey. They claimed he was undermining foreign relations by attacking coffee. Looks like even coffee can be grounds for hot comment.

It seems that a fellow named Gary Crosby is filling in as a summer replacement for Papa Bing when Dad takes a vacation from his radio show. Makes you feel kind of old, doesn't it? Nothing like getting out in the sun to make you feel young again... but be sure you have skin protection against too much sun. You'll find a choice of sun tan oils and lotions... as well as tanning preparations for relief of sunburn... at our big toiletries and cosmetic counter, at GLADES DRUG STORE.

James M. Wall, senior theology student at Emory University, has been appointed assistant to Dean of Students E. H. Rec. Wall will begin his duties next fall, according to Dean Rec. He will work mainly with student organizations and activities, and later will assist in teaching courses in Bible.

The theology student is a member of the university and theology school student council, a member of the student development committee, and has worked part-time in university public information and as an assistant to Webb Garrison, assistant dean of the Emory theology school.

A graduate of Emory, and a former employee of the Atlanta Journal, Wall was an outstanding undergraduate student. He was editor of the Emory Wheel, student weekly, a member of Omicron Beta Kappa leadership society, Sigma Delta Phi journalism honor society, and Alpha Tau Omega.

Wall is the son of Mr. and Mrs. L. D. Wall of Monroe, Ga. His wife is the former Miss Mary Eleanor Kidder of Belle Glade, Fla. Mr. Wall is director of religious education at Decatur, Ga. First Methodist Church. Mr. and Mrs. Wall make their home at 15-181 Ridgewood Dr., N. E., Atlanta.

Miss Mary Evelyn Hollady Weds Mr. Whitehead in Church Rites

The bride wore a light blue lace sheath dress trimmed with white pearls scattered in the entire dress. Her shoelace-length veil of net was held in place by an open crown headpiece. She held a white prayer-book, and wore a white orchid corsage.

Miss Johnny Lowry was the bride's maid of honor. She wore a yellow dotted Swiss princess style dress with white accessories. Ernest Messer was her son's best man.

Miss Hobson graduated from Belle Glade High School with the class of '63 and is associated with the Florida National Bank.

Mr. Messer is a graduate of LaBelle High School and served three years with the Coast Guard. He is an employee of Zenke Smith Drapline Co. in Pompano.

Immediately after the reception the couple left for a brief honeymoon. They are residing in Belle Glade.

BETH HOBSON HONORED
AT BIRTHDAY SUPPER

Beth Hobson celebrated her sixteenth birthday last Friday night when her mother, Mrs. Frank Hobson, entertained four little guests. An outdoor birthday supper with birthday cake, and ice cream was served. After playing games the guests spent the night.

Saturday morning breakfast was served to Barbara Leggett, Karen Harris, James White, and Linda Hollingsworth and Beth Hobson.

FUTURE HOMEMAKERS
INSTALLATION HELD

Mary Claire Cridler was installed as president of the Belle Glade Chapter of Future Homemakers of America this week by Jane Norris. Miss Norris is the retiring president.

Officers who will assist Miss Cridler for 1964-65 include: Frances Layfield, first vice-president in charge of program work; Ann Binkley, second vice-president, in charge of projects; Jo Ann Parson, third vice-president, publicity; Joan Johns, fourth vice-president, recreation; Allen Hemphill, secretary; Betty Jo Hayes, treasurer.

Installation services under supervision of Mrs. Hazel Litchfield, director of FFA work, was conducted by candlelight. Each officer as she was installed accepted her pledge of duties for the coming year.

Projects during the past year will be climaxed with a beach party on June 10.

NAMED ASSISTANT
DEAN AT EMORY UNIV.

James M. Wall, senior theology student at Emory University, has been appointed assistant to Dean of Students E. H. Rec. Wall will begin his duties next fall, according to Dean Rec. He will work mainly with student organizations and activities, and later will assist in teaching courses in Bible.

The theology student is a member of the university and theology school student council, a member of the student development committee, and has worked part-time in university public information and as an assistant to Webb Garrison, assistant dean of the Emory theology school.

A graduate of Emory, and a former employee of the Atlanta Journal, Wall was an outstanding undergraduate student. He was editor of the Emory Wheel, student weekly, a member of Omicron Beta Kappa leadership society, Sigma Delta Phi journalism honor society, and Alpha Tau Omega.

The wedding vows were read by the bride's father, Rev. Hollady assisted by her brother, Rev. Austin E. Hollady of Tallahassee, in a setting of palms with a center arrangement of white gladioli and chrysanthemums flanked by four seven-branched candelabra holding lighter, Cathedral prisms. Pews were marked with white satin ribbon and white gladioli.

A program of musical music was presented by Mrs. D. C. Walden, of Plant City, organist, Miss Patsy Chapman, vocalist, Mrs. Austin E. Hollady of Tallahassee, violinist. Miss Chapman sang "Days of Olden Promises," "Oh Perfect Love" and "Bridal Prayer."

The bride gave in marriage by her father, was a wedding gown of white organza over tulle, strapless with a fitted bodice featuring pleated folds which ended in a point at the waistline. A bolero, embroidered with scalloped rows of imported French lace and appliqued butterflies, was closed with tiny bows and white satin ribbon. Her chapel length veil of illusion was held in place by a tulle made of petals of net covered with seed pearls and sequins. She carried a bridal bouquet centered with a white orchid and showered with stephanotis and white satin ribbon.

Rainbow Queen And Her Court

Miss Jeanne Crewes, was crowned Rainbow Queen, at a semi-formal dance held 8 p.m. Friday night at the Elementary School Auditorium, under the auspices of the Order of Rainbow.

Contestants for Rainbow Queen were elected from each grade from 8th through 12th. Jeanne is a ninth grade student and is the daughter of Mr. and Mrs. G. W. Crewes of 16 N. W. Ave. F. Runner up was Doris Burke, 12th grade student.

Others participating were Brenda Kessler, 10th grade; Frances Layfield, 10th grade; and Claudia Phelan, 11th grade.

The purpose of the contest was to raise money for the Red Cross to finance the trip to the grand assembly to be held in Tampa, June 17-18-19.

The dances of the Rainbow Queen were placed in business places over town, with the contestants having other girls campaigning for them.

GUARD ARMORY (Continued from Page 1) is trying to attain a total strength of 100 men and 50 officers. There are many vacancies in the unit that could easily be filled by eligible young men in the Glades area. Both veterans and non-veterans are badly needed. At present, Co. "F" is preparing to go to Ft. McClellan, Alabama, for two weeks of intensive training. Last year Co. "B" was superior to other units in many ways and they hope to improve this year with the increased strength of the unit. "Qualified" Crew-Served Weapons personnel have been few in number due to the fact that there is not a sufficient amount of time available on drill nights to qualify these men. However, there is a sharp increase in the number qualified due to the fact that the men assigned to these crew-served weapons have been serving their time without pay to further their training and qualify themselves.

ENTRENCHED POLITICIANS (Continued from Page One) eight Glades precincts and tied one; Roberts carried five of the eight. Collins received a total of 1520 votes in the Glades with Johns receiving 1306; Elliott received 1435 votes to Roberts' 1350 in the eight Glades precincts.

Elliott carried thirteen precincts in the County out of 88, and in many there was a difference of only one or two votes; there were many with a difference of less than ten votes.

The work on the East Coast by Glades supporters is reflected in the fact that the 89 vote lead in the Glades by Elliott was overcome on the coast with an addition of 1395 votes.

"F" is preparing to go to Ft. McClellan, Alabama, for two weeks of intensive training. Last year Co. "B" was superior to other units in many ways and they hope to improve this year with the increased strength of the unit. "Qualified" Crew-Served Weapons personnel have been few in number due to the fact that there is not a sufficient amount of time available on drill nights to qualify these men. However, there is a sharp increase in the number qualified due to the fact that the men assigned to these crew-served weapons have been serving their time without pay to further their training and qualify themselves.

ENTRENCHED POLITICIANS (Continued from Page One) eight Glades precincts and tied one; Roberts carried five of the eight. Collins received a total of 1520 votes in the Glades with Johns receiving 1306; Elliott received 1435 votes to Roberts' 1350 in the eight Glades precincts.

Elliott carried thirteen precincts in the County out of 88, and in many there was a difference of only one or two votes; there were many with a difference of less than ten votes.

The work on the East Coast by Glades supporters is reflected in the fact that the 89 vote lead in the Glades by Elliott was overcome on the coast with an addition of 1395 votes.

THANKS — It's almost worth the trouble and anxiety of weeks in the hospital to learn more about living and to discover how many friends you have.

Marge and I want to thank all of you for the many notes and the interest shown while Doc was getting my old bricker back on the track.

F. A. (Dick) and Marge LeFils.

THANKS, Folks — To all those who contributed time, efforts and support to my campaign: I want to express my heartfelt appreciation.

To those who supported the incumbent — Please join with me in the interest of good government and help put over a legislative program that will be a credit to the Glades and to all of Palm Beach County.

I will always be glad to see you and to help with your problems.

Rainbow Queen And Her Court

Miss Jeanne Crewes, was crowned Rainbow Queen, at a semi-formal dance held 8 p.m. Friday night at the Elementary School Auditorium, under the auspices of the Order of Rainbow.

Contestants for Rainbow Queen were elected from each grade from 8th through 12th. Jeanne is a ninth grade student and is the daughter of Mr. and Mrs. G. W. Crewes of 16 N. W. Ave. F. Runner up was Doris Burke, 12th grade student.

Others participating were Brenda Kessler, 10th grade; Frances Layfield, 10th grade; and Claudia Phelan, 11th grade.

The purpose of the contest was to raise money for the Red Cross to finance the trip to the grand assembly to be held in Tampa, June 17-18-19.

The dances of the Rainbow Queen were placed in business places over town, with the contestants having other girls campaigning for them.

GUARD ARMORY (Continued from Page 1) is trying to attain a total strength of 100 men and 50 officers. There are many vacancies in the unit that could easily be filled by eligible young men in the Glades area. Both veterans and non-veterans are badly needed. At present, Co. "F" is preparing to go to Ft. McClellan, Alabama, for two weeks of intensive training. Last year Co. "B" was superior to other units in many ways and they hope to improve this year with the increased strength of the unit. WASHINGTON NEWS LETTER

FROM

WASHINGTON

A four point program to stem the threat of Communism in the Western Hemisphere and insure our national security seems to be the result of recent developments throughout the world. The development of a Communist-inspired crisis in Central America certainly should convince us that we have no time to lose. Here is the formula I am offering for consideration:

1. Universal Military Training: If—and when—the Communists strike us with modern weapons, undoubtedly crippling our production and training, we must fight with our "Force In Being." First consideration must be that we will face the necessity for instant retaliation with what we have. We should train all of our manpower in the democratic way NOW.

2. Standby Economic Controls: Inflation cost us \$100 billions in World War II. \$40 billions in the Korean War. Controls are not in our peace-time picture, but we should be ready to put a program into effect in case of war before inflation starts.

3. Outlaw Communism: We will protect the constitutional liberties of all of us by recognizing a crime and outlawing the criminals. We need a legal "standby" basis legally and properly identifying communists as enemies of our society.

4. Unity Western Hemisphere: While encouraging our allies wherever they may be, we need to heed every effort now to fashion a new Western Hemisphere Alliance direct more point efforts to develop the natural resources of the Americas, reinforce effects of mutual defense program, and reinforce our mutual trade and aid activities. Such a united front program in our hemi-

sphere well may be the key to peace, happiness, and prosperity throughout the Free World.

Working On The Tax Bill — One of the highest compliments paid me, was in my selection by Senator George, leading Democrat on the Finance Committee, to serve on that committee; this committee handles legislation on social security, taxes and similar matters and it is better, using though, tedious work. We are now working nearly all day every day on the 875-page tax bill passed earlier by the House.

showing that they have completed this important job by calling on a trooper at the Court House or at a Patrol station in their locality.

Cmdr. H. N. Kirkman pointed out that while the safety-check is compulsory in some states, it is voluntary in Florida, but in the past, records show, the turnout of motorists for the voluntary inspection has been outstanding in this state.

The May Safety-Check consists of seeing that each vital parts of the auto as the horn, windshield wipers, rear and front lights, steering gear, brakes and similar mechanisms are in good working order.

Many lives will be saved on Florida highways this summer by those who attend to the simple matter of seeing to it that their auto is in travel order," declared Kirkman. "It only takes a few minutes to have your auto checked for safety driving for you, your family and others, and it is such an important factor in saving lives — do it today, please."

Highway Patrol Will Check Your Car Free

A state trooper will be at court houses or highway patrol stations in each of the state's 67 counties in May to give safety-check stickers to Florida motorists.

May is the month in which motorists are encouraged to have their autos safety-checked at their local auto dealer's service department to put vehicles in better summer driving conditions.

The May Safety-Check is nationwide and is one in which all auto dealers participate by giving check services free. Those whose autos pass the check, can then get stickers

Live wire that really looks it

(One reason why Buick is such a big success this year!)

Its sports-car lines tell you there's lift and spirit here enough for any man.

Even standing still this glamor car looks alive.

And that look-of-tomorrow styling that's part and parcel of every new Buick — that sweeping panoramic windshield with the dream-car slant — all that says there's action here, and plenty of it.

But just note the name "CENTURY" emblazoned on its rear fender, and you can take it as gospel that this is a performance car of the very first water.

It's the liveliest of the live wires — the highest-voltage Buick in the line.

It is instant on getaway, a joy in cruising, a breeze on the hills — and a honey of a friend in the added safety of its plenty reserve power always on hand for sudden needs.

It is, in fact, a 200-horsepower performance car, and priced far below it — the highest-powered car at its price in the land.

With this great-powered good-

looker setting the pace — and with equally impressive SPECIALS, SUPERS and ROADMASTERS adding to the excitement — is it any wonder Buick today is outselling every other car in America except two of the so-called "low-price three"?

Come in and try one of these gorgeous new Buicks. With the prices we're quoting, you can make the buy of the year this very week.

BUICK Sales are Soaring!
